HIGHLIGHTS

- Mrs. Jency RUBIA J has successfully defended her thesis titled, "Development of a Novel Method for High-Speed Parallel Multiplier - Accumulator (MAC)" on 20th December 2021
- Ms. Devi Poonguzhali S has successfully completed the NPTEL online certification course on "Digital Circuits" secured Elite Topper.

● PALS InnoWAH 21-22

Our team (Vishwa R, Ananthavadiu R, Arul Prakash, Gurubhavani A) got selected for the Project titled "Energy Management in Smart Home using Near Field Communication" in PALS InnoWAH Competition, under the theme of Technology-Enabled Social Impact. This Project is supervised by Dr. Jency RUBIA J, AP, ECE.

RESEARCH CENTRE RECOGNITION

Department of ECE enhanced its research activities by inculcating the interest of research scholars and encouraging all the faculties to explore their skills and knowledge towards research with the support of management. The department applied for Research center recognition under the faculty of Information and Communication Engineering (ICE) at Anna University Chennai through the institution. Research Centre inspection was conducted on 2nd December 2021 by the expertise of the Anna university Inspection committee. Dr.X.Susan Christina, Principal, Dr.G.Haridoss, Vice Principal, Dr.E.Vinodha Professor and Prof. B.Syed Moinuddin Bokhari HoD/ECE were present during the inspection and defended the Inspection committee.

MOUs

An MoU was signed on ()with Maven Silicon, a VLSI based training company in Bangalore. Maven silicon is truly living by its mission of contributing to the semiconductor industry and the community of Engineers. The VLSI Internship program is essential for electronics engineers to experience real-time VLSI projects. This internship program on VLSI Design flow and methodologies was an eye opener to all the participants. The company promised many training programmes for the benefits of students which would be useful for their final year projects.

SILICON
Centre of Excellence in VLSI

IITMC incubation cell activities-BUILB CLUB

IIT-Madras Incubation cell (IITMIC) came up with proposals to provide co-incubates access to incubation space/infrastructure, business support services (accounting, tax, CS, legal, HR), networking and training support, mentoring (technical and business), seed funding and link-up with angels/VCs and ‘Startup Engine’. In this regard, M.A.M College of Engineering and Technology (MAMCET) has signed a Memorandum of understanding with IITMIC on (date) for strengthening entrepreneurship ecosystem in Tiruchi region. The MoU mandates the two entities to work together to provide incubation support/facilities to Entrepreneurial ventures. IITMIC will support the college in conducting training, and organizing motivational and experiential talks to strengthen the entrepreneurial ecosystem, besides facilitating incubation, startup selection, support, mentoring and monitoring with the strategic and operational guidance. The Entrepreneurship Development cell in the campus will promote creative skills by providing an eco-system with the right mix of infrastructure concentrating on extensive lab set ups and technical knowledge to the pool of students who can bring fresh ideas. The cell will conduct awareness programmes, training, and mentoring.

A **Build Club** in MAMCET was established to enhance the innovation and entrepreneurship skills through start-up projects among young and energetic engineers. Dr.R.Sarawswathy, Head Skill Development and Placmeent, Dr. Jency RUBIA J, PALS Department Coordinator, Ms. Sivaranjani, PALS Student Leader with other student volunteers and faculty visited IITM Research Park and interacted with Dr Ashok Jhunjunwala, Professor, EE department, IITM Chennai on 18th December 2021.

The **i-COMM** club integrates Information Technology and Communication Engineering for novel start-up projects that enhance students' innovation in the field of Information and Communication. This club is headed by **Dr. Jency RUBIA J, Assistant Professor, Department of ECE**. The **i-COMM** club was inaugurated by Er. Prasanna Kumar, Product Manager at ABB India Limited, Bangalore, on 23rd September 2021. Nearly 85 students and faculty participated and got benefitted.

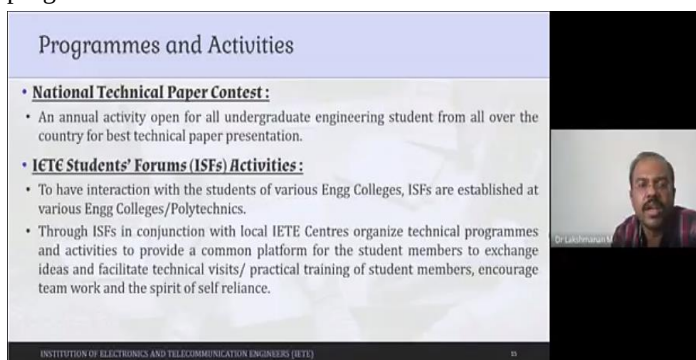

Through **i-COMM** club and ECE association –**ECASTLE** (Electronics and Communication Association of Talent Engineers) the department conducted an event “**ECASTLE-TECHFEST’21**” on 13th November, 2021 with the outcome for providing a platform to the students in showcasing their extracurricular and technical skills. The event was coordinated by **Prof. S. Devi Poonguzhali, Department of ECE, MAMCET**. Overall trophy for this event was won by R.Vishwa, 3rd year ECE. First runner up and second runner up was bagged by R.Madhumitha, 2nd yr ECE and A.Sivaranjani, 3rd yr ECE respectively. Both technical and non-technical events were conducted successfully by the faculty and student coordinators. Students gave splendid performance in all the events with the encouragement of faculty members. Totally ten events were conducted in online and offline mode. The following were the prize winners in various events.

- **Vishwa. R, Sivaranjani.A and Boomika.A.S** of 3rd year ECE bagged the first prize in **Paper presentation** contest coordinated by **M.Mohamed Asheef** of final year ECE.
- **Subanu.S** of 2nd year ECE won the first prize in **Technical quiz** contest (online) coordinated by R.Preethi of final year ECE.
- A team from 3rd year ECE - **Vishwa.R, Boomika. A.S and Thilaga. A** won first prize in the contest **Connections** (online) conducted by **R.Sangeetha** of final year ECE.
- **Cricket quiz** (online) a new contest made the participants to involve more and won accolades. **Pragadeeswaran .R** of 3rd year ECE bagged first prize in this event which was coordinated by **Ahamed batcha .M** of final year ECE.
- **Pragadeeswaran .R** won first prize in **Circuitrix** and **Blind typing** which was an offline contest. **Bavithra.K** and **Abdul Malik.H** of final year ECE coordinated for the event **Circuitrix** and **Blind typing**.
- A team from 3rd year ECE - **Saraswathi.S, Suwathi. V and Abinaya. R** won first prize in the contest **Find the logo** (online). **J.Mohamed Riyas** of final year ECE conducted this contest.
- **Cooking without fire** (offline) a contest arranged especially for the female participants brought up the spirit of women empowerment. Madhumitha .R and Ashoki.C of 2nd year ECE got first prize in this contest.
- Contest such as **Scavenger Hunt** (offline) and **Find the odd one** (online) were conducted by **Selvaraj.K** and **Gayathri.V** of final year ECE. A team comprising of Nivetha.S, Nieceas Arif. Y and Sonali.R of 2nd year ECE bagged the first prize in **Find the odd one** (online) contest.

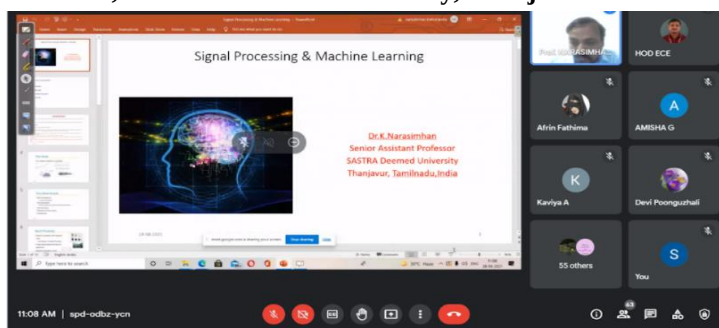

WEBINARS CONDUCTED FROM JULY 2021 TO DECEMBER 2021

IETE and ECASTLE – ECE Association was inaugurated on 21st August, 2021 by **Dr.M.Lakshmanan, Professor and Head of ECE, Galgotias College of Engineering and Technology Greater Noida, Uttar Pradesh** in order to initiate opportunities in the IETE forum and to improve the technical skills in the Field of Electronics and Communication Engineering. He gave a talk with the title **“Spark of Wireless Communication”** around 65 students were benefited out of this program.

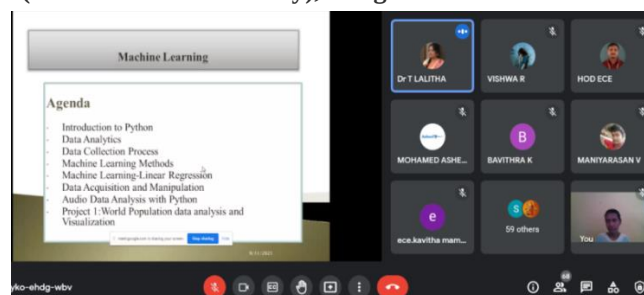

A webinar on **“Challenges with Recent trends in Signal processing and Machine Learning”** was conducted on 28th August 2021. The resource person for the webinar was **Dr.K.Narasimhan, Senior Assistant Professor, Department of EEE, SASTRA Deemed University, Thanjavur**.

A webinar on the theme **“Antenna and Microwave Engineering”**, was conducted on Sep 9th 2021 with the Outcome of Knowledge on Integrating Antenna with Microwave for High frequency applications. The resource person for the webinar was **Dr. Sanjeev Yadav, Head of ECE, Government Women Engineering College, Ajmer**

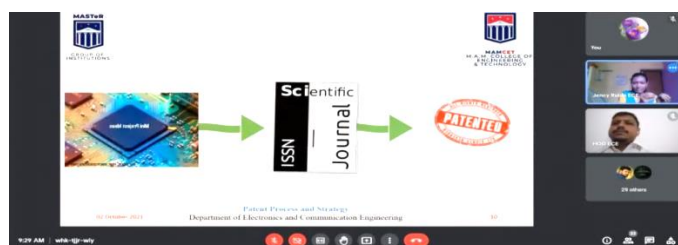

On 11th September 2021, conducted webinar on the theme **“Artificial Intelligence & Robotics”** with the Outcome of impact of Artificial Intelligence on society, bringing contribution to make a human life easier. The resource person for the webinar was **Dr.T.Lalitha (Post-Doc) Professor, JAIN (Deemed to be university), Bangalore.**

A webinar with the title **“Mentor Graphics Full custom and Semi custom design Flow”** with the Outcome to create passion on electronics, especially to create their career passion in VLSI field was conducted on 18th September 2021. The resource person for the webinar was **Mr.Vinnalan K.A, Application Engineer, CorEL Technologies, Bangalore.**

A webinar on the theme **“Patent Process and Strategy”** was conducted on Oct 2nd, 2021 with the Outcome to provide idea of drafting a patent and filling a patent. The resource person for the webinar was **Dr. Jency RUBIA J, Assistant Professor, Department of ECE, MAMCET.**

“Xilinx Workshop Cum Coding Contest on Verilog Coding” was conducted on 25th Oct 2021 with the outcome to enrich their knowledge in VLSI coding. The Coordinator for the event was **Prof. S.Devi Poonguzhali, Department of ECE, MAMCET.**

STUDENTS ACTIVITIES

Co-curricular and Extracurricular activities

- » Afrin Fathima A.B of Second year ECE attended a webinar on **“Mentor Graphics Full custom and semi-custom design flow”** conducted by CoreEL Technologies and Mentor at M.A.M college of Engineering ,Trichy on 18th Sep 2021.
- » Anathavadivu R, Gurubhavani A. Madhumitha R, of Second year ECE presented a paper in one day National Level Technical Symposium at Kongunadu College of Engineering and technology, Namakkal on 25th Sep 2021.
- » Ashoki C, Haritha R & Rajakumari R gave a presentation in the event **PALS nexgen 3D hackathon** on 1st Sep 2021.
- » Madhumitha .R, of Second year ECE, has attended a one week short term course on **“Future Opportunities and challenges in 5G Technology”** held during Oct 13-17, 2021 conducted by Madanapalle Institute of Technology& Science (MITS),Madanapalle.
- » Nieceas Arif Y,A.B ,Afrin Fathima ,Bashiriya.S, of Second year ECE completed the course **“Field Technician Computing and Peripherals”** on 13th Dec 2021, conducted by Electronic Sector skill council of India.
- » K.P. Kishore Bharathy of Final year ECE attended a webinar on **“Design of solar power inverter”** conducted by, Chennai on 09th July 2021.
- » K.P. Kishore Bharathy of Final year ECE has attended PALS FSDP on **Cyber Security and Privacy –AI and cloud database systems** from 9 – 11 , Dec 2021.
- » Mohamed Asheef M. S of Final year ECE attended a webinar on **“VLSI system on chip design”** conducted by, on 06th Aug 2021.
- » Aadhisivan .N of Third Year ECE , successfully completed **Game development using PyGame**
- » Angalaparameshwari A .Of Third Year ECE successfully completed the online course **“Artificial Intelligence with Python CS550”** on 18th Sep 2021.

👉 **“Xilinx Coding Contest on Verilog Coding”** was conducted on 26th October , 2021 with the Outcome to provide a platform for the students to practice and enhance their programming skills. The Contest was conducted by **Prof.A.Kaviya, Department of ECE, MAMCET.**

👉 A webinar on the theme **“Design for Internet of Things”** with the Outcome for Knowledge on basics of technology, applications and issues in providing electrical power for mobile devices was conducted on 28th Oct 2021. The resource person for the webinar was **Ms.Srenedhi, System Engineer, Infosys, Mysore.**

- » Angalaparameshwari A of Third Year ECE successfully completed the online course **“Python”** on 23th Sep 2021.
- » Boomika A.S, Third year ECE attended a webinar on **Mentor Graphics Full custom and semi-custom design flow** at M.A.M college of Engineering Trichy, in association with CoreEL Technologies and Mentor on 18th Sep 2021.
- » Deepak .A , Third year ECE, completed the course of study in **“LTE Technology”** in European open university on 25th Sep 2021.
- » Deepak .A , Third year ECE, completed the course of study in **“Biometrics Technology”** in European open university on 27th Sep 2021.
- » Deepak .A ,Third year ECE, Participated in TUG OF ELECS (TREASURE HUNT) of TECHNOVATION 2021 held on 1-3 Oct 2021 at K.Ramakrishnan college of Technology,Trichy.
- » Dhivagar.U ,Third Year of ECE, participated in webinar on **Mentor Graphics Full custom and semi-custom design flow** held on 18th September 2021 at M.A.M college of Engineering, Trichy in association with CoreEL Technologies and Mentor on 18th Sep 2021.
- » Karthik Raja.c ,Third Year of ECE ,actively participated in the National Level Webinar on **“Design Approaches in modern VLSI Techniques”** in Arjun Colleges of Technology ,Coimbatore on 11th Nov 2021
- » Karthik Raja.C,Third year of ECE,has participated in the event **“Connections”** in the 10th National Level Technical Symposium, ACME 2K21,held at M.A.M school of Engineering,
- » Karthik Raja .C, Third year of ECE, successfully completed a online course on **“Introduction to Management Accounting”** Conducted by Great Learning Academy on September 2021.
- » Ramya.M , Third year of ECE, Participated in webinar on **Mentor Graphics Full custom and semi –custom design flow** held on 18th September at M.A.M college of Engineering ,Trichy in association with CoreEL Technologies and Mentor.
- » Sridhar .J ,Third year of ECE ,has successfully completed **Game development using PyGame** ,by Guvi on 20th Sep 2021.
- » Sridhar .J, Third year of ECE, participated in webinar on **Mentor Graphics Full custom and semi –custom design flow** held on 18th September at M.A.M college of Engineering ,Trichy in association with CoreEL Technologies and Mentor.
- » Sudhakar .S, Third year of ECE, has successfully completed **Game development using PyGame** by Guvi on 29th September 2021.
- » Thilaga A, Third year of ECE, Participated in webinar on **“Mentor Graphics Full custom and semi –custom design flow”** held on 18th September at M.A.M college of Engineering ,Trichy in association with CoreEL Technologies and Mentor.
- » Vanathi.M,Third year of ECE, has successful completion **“Game development using PyGame”** , by Guvi on 23rd September 2021.
- » Vanathi.M,Third year of ECE, has successful completion of **“Step into Robotic Process Automation”**, by Guvi on 27th September 2021.
- » Vanathi.M,Third year of ECE, successfully completed an online course **“Prediction Project using Python”** by Great Learning Academy on Oct 2021.
- » Vanathi M,Third year of ECE,attended a E-Quiz on **“World Heart Day”** conducted by Youth Red Cross of Alagappa Government Arts College, Karaikudi on 29th Sep 2021
- » Veerasekaran M ,Third Year of ECE, has participated in the event **“Connection”** in the 10th National Level Technical Symposium ACME 2K21 on 13th November 2021 held at M.A.M School of Engineering ,Trichy.
- » Veerasekaran M ,Third Year of ECE,has successfully completion of python” course by Guvi on 16th September2021
- » Sivaranjani A , Third year of ECE, has completed the course of study in **“Engineering MATLAB Application”** in European open University on 20th Sep2021.
- » Ramya.M , Third year of ECE, Participated in **GEN TRIVIA (Non-technical Quiz) & TUG OF ELECS (TREASURE HUNT) of Technovation 2021** held on 1-3 Oct,2021at K.Ramakrishnan college of Technology,Trichy

- » Ramya.M, Third year of ECE, actively participated in the national level webinar on “**Design Approaches in Modern VLSI Techniques**” in Arjun college of Technology, Coimbatore on 11th Nov 2021.
- » Sivaranjani A ,Third year of ECE, Participated in **TUG OF ELECS (TREASURE HUNT) of TECHNOVATION 2021** held on 1-3 Oct,2021 at K.Ramakrishnan college of Technology, Trichy.

INTERNSHIP

- » Vignesh .P Second year of ECE, has successfully completed 30Days Machine Learning Master class at Pantech e-Learning Pvt Ltd, Chennai from 15th Nov 2021 to 14th Dec2021.
- » Vignesh.P, Second year of ECE, has successfully completed 25 Days Master class on Artificial Intelligence at Pantech e Learning Pvt Ltd, Chennai from 6th Dec 2021 to 4th Jan 2022.
- » Kavitha.M of final Year ECE has attended six weeks online Internship at Mr.Cooper ,NSM services Private ltd. Chennai from 25th Oct 21 to 16th Dec 21 and worked with a project titled “ Online Doctor Consulting’(Insta Doc) under the guidance of Mr.Deepag Kumar Balasubramaniam, Senior Principal architect with a stipend of Rs.11,600.
- » 15 students of III Year have successfully completed an internship at Maven Silicon on “VLSI SoC Design”

Faculty Contribution

PATENT

- » **Dr.X.Susan Christina, Dr. G. Haridoss and Dr. Jency RUBIA J**, explored an IoT Based Door System to Prevent Covid-19 Virus and filed an Indian Patent on 24th Sep 2021 with filed

BOOK CHAPTERS

- » **Dr.X.Susan Christina, Dr. G. Haridoss and Dr. Jency RUBIA J**, explored an IoT Based Door System to Prevent Covid-19 Virus and filed an Indian Patent on 24th Sep 2021 with filed number 202141038100.

PUBLICATION & CONFERENCES

- » Sathish Kumar Danasegaran , Elizabeth Caroline Britto , Susan Christina Xavier “**Exploration of Trigonal Patch Antenna Characteristics with the Impact of 2D photonic crystal of various Air Hole Shapes** ”, Journal of Electronic Materials Issue 9/2021.
- » Mrs. Jency RUBIA J, BabithaLincy R, “**Design and Analysis of QCA Adder Circuits for Efficient Computation**”, Journal of Engineering and Technology for Industrial Applications (JETIA), ISSN 2447-0228 Issue: v.7, n.30 (2021), Pages 37 - 44, July 2021 DOI: <https://doi.org/10.5935/jetia.v7i30.769>
- » Mrs. Jency RUBIA J, Babitha Lincy R, “**Detection of Plant Leaf Diseases using Recent Progress in Deep Learning-Based Identification Techniques**”, Journal of Engineering and Technology for Industrial Applications (JETIA), ISSN 2447-0228 Issue: v.7, n.30 (2021), Pages 29 - 36, August 2021 DOI: <https://doi.org/10.5935/jetia.v7i30.768>
- » Mr. Syed Abdul Salam .M presented a paper titled “**Implementation of offset injection PWM technique for Grid Integration**”, (Paper if :49)in track International Conference on Industrial Instrumentation& Control(ici2c-2021)from 20th to 22nd August ,2021.

TNSTC PROJECT DETAILS

- » Prof. S.Kavitha & Sivaranjani .A ,Siva Sneha .M,Ramprakash R - III ECE submitted a TNSTC project on the title “**Self Alerting system for COVID' 19**”
- » Prof. S.Kavitha & Kishore Bharathy.K.P,MohammedAseef.M, Selvaraj.K- IV ECE submitted a TNSTC project on the title “**Diagonization of Covid' 19 by Air content Analysation.**”

TRAINING PROGRAMME

- **Prof.Kavitha Senthil**, handled a session on “Universal Human Values” at their induction program for first years in MAMCET on 30th Oct 21
- **Prof.S.Kavitha** , conducted a webinar on “Antenna design and Measurement “in The Institution of Engineers(India),Thiruchirapalli Local centre, BHEL.

- **Prof.Kavitha Senthil** ,visited ABBOT R.C Higher secondary school, Sembattu and given hands on training on “Handwriting Improvement” for 12th STD students on 16th Dec2021
- **Prof. Kavitha Senthil** , visited St.Anne's higher secondary school, Lalgudi and given training on Presentation Skills and Handwriting Improvement for 12th STD students on 16th OCT 2021.
- **Prof. Kavitha Senthil**, visited R.C Higher Secondary School,

Trichy and given training on Presentation Skills and Handwriting Improvement for 12th STD students on 23th Dec 2021.

- **Prof.Kavitha Senthil**, handled a Full Day training program on “Goal setting” for the first years during their induction program on 09th Nov2021.
- **Mrs Kavitha Senthil** ,visited Government Higher secondary School, Anbil and handled a session on “MemoryTechniques” for 12th STD students on 16th Dec2021

FACULTY PARTICIPATIONS

FACULTY DEVELOPMENT PROGRAMME

- Mrs. Jency RUBIA J, Participated and successfully completed one week ATAL FDP on "**Nano Electronics and RF Engineering**" from Sep 6-10, 2021 at SRM Institute of Management and Technology.
- Dr. J Jency RUBIA and Mrs. A.Kaviya participated and successfully completed one week ATAL FDP on "**ASIC Design For Driving Digital Innovations In Next Gen Platform**" from Aug 23-27,2021 at Acharya Institute of Technology.
- Mrs. Kavitha Senthil , Participated and successfully completed 1 week ATAL FDP on "**Telemedicine**" from Aug 9-13, 2021 at National Institute of Technology, Jamshedpur.
- Mrs. Kavitha Senthil , Participated and successfully completed 1 week ATAL FDP on "**Internet of Things(IOT) in smart cities**" from Sep 20- 24, 2021 at Kongunadu College of Engineering and Technology
- Mrs.Kavitha.S Participated and successfully completed 1 week ATAL FDP on "**Antenna Design Fabrication and Measurement**" from Aug 02- 06, 20210020at GBPIET, Ghurdauri, Pauri Garhwal.

- Mrs.Kavitha.S Participated and successfully completed one week ATAL FDP on **"5G Antenna Design Engineering"** from 06/12/2021 to 10/12/2021 at Mailam Engineering College, Villupuram.
- Mr. Syed Abdul Salam, Participated and successfully completed one week ATAL FDP on **"Outcome Based Education "** from July 26- 30, 2021 at Engineering College, Bikaner.
- Mr.Syed Abdul Salam, Participated and successfully completed 1 week ATAL FDP on **"Innovation Management"** from Sep 20- 24, 2021 at Bharati Vidyapeeth (Deemed to be University) Institute of Management and Entrepreneurship Development, Pune.
- Ms. Devi Poonguzhali.S, Participated and successfully completed one week ATAL FDP on **"Research Issues in VLSI"**.
- Mrs. S. Jayaseeli participated in the three-days Online Workshop on **"How Teachers can make a Difference"** held during December 22-24, 2021.

WEBINAR ATTENDED

- Ms. Devi Poonguzhali.S and Dr. Jency RUBIA J Participated in the Webinar for **"Full custom and semi-custom design**

Placement Activities

- ▶ Mohammed Asheef. M, Abdul Malik .H of final year ECE got selected in **Propeller Technologies**, Trichy on 19th Oct 2021.

- ▶ Kishore Bharathy .K.P- of final year ECE got selected in **VDART, Trichy** as on 20th Dec 2021.

flow" held on 4th August 2021 in association with CoreEL Technologies and Mentor.

- Mrs. Jency RUBIA J, actively Participated in the Webinar on **"Human Resource Development"** Organized by TNSCST Govt of Tamil Nadu, India on 6th Oct, 2021.
- Mrs .Kavitha Senthil and Mrs. A.Kaviya participated in the webinar on **"Random Variables and Stochastic Processes"** on 2nd August, 2021, organized under the Wiley webinar series in association with GMR institute of Technology, Rajamon.

ECE - ALUMINI 2017-2021

- **Miss B.Vaitheki** from the department of ECE of 2017-2021 Batch got appointment for the Post of **Police Constable** in the **Department of Tamil Nadu Police Service**

- ▶ Abdul Malik H, Preethi.R, Gayathri.V ,Kavitha .M ,Sneha R of final year ECE got selected in **Ageas Federal (IDBI Federal – Life Insurance)** , Erode on 4th Oct 2021

- ▶ Sneha. R of final year ECE got selected in **Techvolt Software private Limited , Coimbatore** on 13th Nov 2021.

- ▶ 14 students from Third year ECE attended training session on **Infy TQ & Hack WithInfy** ,were the session is handled by Mr.Gowtham prem kumar, Campus Recruitment lead,(Tamilnadu,Kerala, Puducherry), Infosys on 7th Jan 2022.

Corrective actions were properly identified and taken.

Academic meetings

Parents-Teachers meeting

Parents-Teachers meeting was conducted for II, III and IV final year students on 13th September, 2021. HoD, Mentors, Class coordinators of the respective classes organized the meeting online through Google meet. It was a one to one Parent –teacher meeting with the respective mentors. The points mainly discussed were about the attendance, academic performance, Training and placement activities. Parents were requested to take care of their wards health during the Pandemic and monitor the attendance of online academic activities of their childrens'. The parents interacted about the reopening of college to attend the classes in a physical manner.

Mentee-Mentor meeting

Six meetings were conducted totally during the month of September, October and November, 2021. Two meetings were conducted each month. Mentors mainly concentrated on their mentees strength and motivated them during their group meetings. Their grievances and inabilities were discussed in the one –one, mentor –mentee session. Mentors mostly tried to overcome the problems faced by their mentees in that session itself. They also had a continuous telephonic conversation and motivated their mentees in all aspects. Mentors keep on insisting their mentees and encouraged them to participate in various technical and non- technical events.

Class committee meeting

Three meetings were conducted totally during the month of August, October and November, 2021. Student's grievances about the subjects - both theory and practical's were addressed and rectified by the respective chairpersons of each class.

Soft skills Development Programmes

Training on Goal
setting is planned for 2
nd & 3rd Year students
during the academic Year

Faculty Participations

Upcoming Events

PALS Innawah 2022

- ▶ The team under Dr. Jency RUBIA J's guidance will participate and showcase the demo project selected for finals during the PALs InnoWAH Competition to be held in Chennai.

Webinars 2021-22

- ▶ An awareness programme on IPR (Webinar) will be conducted by The Office of the Controller General of Patents, Trademarks and Designs (CGPDTM), Anna University on February 2022.
- ▶ Technical and non- technical Webinars for the academic year 2021-22 during March-April 2022.

Hands on Training Program

- ▶ A Workshop with Hands-on-Training on "Tanner Analog IC Design: L-Edit" will be organized in tie-up with The CoreEL Technologies, Bangalore during April 2022.

Faculty/Student Participation

- ▶ Faculty and student participation in various events and activities
